

OKTA PASSWORD RESET

Step 1: Click on “Need Help Signing In?”

If you ever have an issue with your Password not allowing you to sign in, follow the instructions below to reset your OKTA Password.

A screenshot of the LAMAR Sign In page. The page features the LAMAR logo at the top, followed by the text "Sign In". Below this, there are two input fields: "Username" (with a note "(Not your email address, just your username)") and "Password". A "Remember me" checkbox is located below the password field. A blue "Sign In" button is positioned below the checkbox. At the bottom of the form, the link "Need help signing in?" is highlighted with a red rectangular box, and the link "Back to sign in" is located directly below it. The background of the screenshot shows a building and a fence.

OKTA PASSWORD RESET CONT

Step 2: Click on “Forgot Password?” and enter your Lamar Email

Step 3: Check your Lamar Email and confirm the account reset went through.

Step 4: Once back on the sign in screen you should be prompted to set new password credentials and should grant access back into OKTA.

*If you are unable to get access to your Lamar Gmail, please call Lamar Helpdesk
